GRADUATE STUDIES IN HEALTH CARE ORGANIZATION

The Department of Health Care Organization at the Johns Hopkins University School of Hygiene and Public Health announces the availability of new opportunities to pursue individualized programs of graduate education in fields related to organization, administration, policy analysis, and research in the personal health care services. Openings starting in the 1975–1976 academic year will accommodate a limited number of selected scholars interested in curricula arranged at the master's degree, doctoral degree, or postdoctoral levels.

Further information and application forms may be obtained from: Philip D. Bonnet, MD, Chairman, Department of Health Care Organization, School of Hygiene and Public Health, The Johns Hopkins University, 615 N. Wolfe St., Baltimore, MD 21205.
